

From Extreme Nervousness.

THAT no remedy can contain the elements necessary to cure all diseases, is a fact well known to everyone. Dr. Miles' System of Restorative Remedies consists of seven distinctively different preparations, each for its own purpose. Mrs. L. C. Bramley, 27 Henry St., St. Catharines, Ontario, writes: "For years I suffered from extreme nervousness and annoying constipation, developing into palpitation and weakness of the heart. I was unable to sleep, suffered much from headache, pain in my left side, palpitation and a constant feeling of weakness and prostration. I began using Dr. Miles' Nervine, Heart Cure and Nerve and Liver Pills and the Anti-Pain Pills to relieve sudden paroxysms of pain and headache. I soon felt much improved and the pains and aches and weariness left me. I then took Dr. Miles' Restorative Tonic and am now restored to my former good health."

CHAMPION NO MORE

Bob Fitzsimmons Is Knocked Out In His Fight With Jeffries.

WAS WHIRLWIND BATTLE

California Had Lanky Bob Beaten From the Ninth Round—Contrary to Expectations Jeffries Proved to Be as Fast as the Man He Beat Down to Unconscious Defeat.

New York, June 10.—James J. Jeffries, another sturdy young giant, has come out of the west to whip champion pugilists. At the arena of the Coney Island Athletic club last night he defeated Robert Fitzsimmons, world's champion in two classes—middleweight and heavy-weight—in 11 rounds of whirlwind fighting. He came to the ring a rank outsider and left it the acknowledged master of the man he defeated. He was never at any time in serious danger and after the size-up in the early

rounds of the contest took the lead. He had the Australian whipped from the ninth round. It was acknowledged that Jeffries would have an immense advantage in weight, height and age, but the thousands who tipped and backed his opponent to win were sure that he was slow and that he would in that respect be absolutely at the mercy of the past-master at the science of fighting that he was to meet. He proved, on the contrary, that he was just as fast as the man he met, and beat him down to unconscious defeat in a fair fight. He is a veritable giant in stature and marvelously speedy for his immense size.

Less than a year ago he appeared in New York a great awkward, ungainly boy. Today he is the lithe, active, alert, trained athlete. The men who prepared him for his fight worked wonders with him. They taught him a nearly perfect defense, improved his foot movement and instructed him in the methods of inflicting punishment. The transition since he appeared last has been little short of miraculous. At 24 he has defeated Robert Fitzsimmons, Tom Sharkey and Peter Jackson, and, if he cares for himself, he will probably be able to successfully defend the title for many years.

The defeated man was just as good as when on the crisp morning on the plains of far away Nevada, he lowered the colors of the then peerless Corbett. He was just as active, just as clever, just as tricky and just as fearless of punishment. He went unflinchingly to his defeat. He was the aggressor even at moments when he was bleeding and unsteady and when stunned by the blows he received he reeled instinctively

ly toward his opponent. He was fighting all the time and punished his opponent, but found him a different opponent than any he had met and a difficult man to fight.

Jeffries fought from a crouching attitude that was hard to get at. He held his head low, his back was bent down and his left arm was extended. He kept jabbing away with his left and found no trouble in landing it. It was there that his superior reach told. That giant arm served as a sort of human fender to ward off danger. He showed an excellent defense and the ability to use both hands with skill. He is game, too; for he never shrank from his punishment. It was a great fight to watch, and commenced and ended amid scenes of intense excitement. It was all very dramatic.

The men fought before a crowd of 9,000 persons, and stood up in a great beam of blinding white light. It was like 1,000 calciums and it showed their great white bodies in strange relief. When the blood came it was of a more intense red than usual. There was not a suggestion of interference from the police. Chief Devary occupied a seat by the ringside, but never entered the ring. When it was all over he sent Captain Kenny in to clear the ring. The fight by rounds:

Round 1—Both men in center of ring. They feinted, with Fitz breaking ground, Jeffries keeping almost in the middle of the ring. Fitz led left to head, but Jeffries ducked cleverly. Jeff led left and fell short. He lost for stomach and again fell short. Again he led a left swing for jaw, but Fitz was out of the way; led right for body and left for head, but Fitz blocked and got away clean. Fitz tried left; assayed a right swing for the neck, landing lightly, and they came to a clinch, but broke clean. Jeff tried a straight left for jaw, but did not reach, and Fitz blocked an attempt at a left hook, shooting his left to the ear as the bell rang.

Round 2—Fitz in middle of ring made Jeff break. Fitz sent left to body and Jeff countered with stiff left on face. Jeff tried left for body, but was blocked; he then assumed a crouching attitude, boring in with left on body, but was again blocked, and they came to a clinch. Jeff landed two lefts on body and shot the left through three times to Fitz's face without a return. Fitz tried his right for the head, but was short and they came to a clinch, the referee going between them. Jeff tried a left chop for the head, but Fitz ducked safely. Jeff tried a left swing for the head and another for the body, but Fitz ducked away from him. Jeff then knocked Fitz flat on his back with a straight left on the mouth.

Round 3—Fitz looked very determined when he came up at this round with Jeffries on the aggressive. Fitz tried a right hook for the body, but failed and it was then seen that he was bleeding from the nose. First blood claimed for Jeff. Fitz landed a hard left on Jeff's face and repeated it three times, coming to the center of the ring Fitz landed a left swing on the jaw and a left hook on the ear. Jeff came back with a left hook on the side of the head and clinched. Jeff sent both hands to the body and drove Fitz back with a left on the chest. Fitz landed a left hook on the head, Jeff countered on the face just as the round ended.

Round 4—Fitz came up determined and tried a right swing, and both clinched. Jeff tried a left for the neck, but Fitz got inside of his lead, landing left on wind. Jeff sent two hard left hooks to the side of Fitz's head, jarring the champion each time. In the mix up Fitz got his left to head and right to body. Fitz sent a left straight to the eye, and was heavily countered on the body by Jeff's right. A hard right over the heart by Fitz was answered by Jeff with left on the neck, but he planted a heavy left on the chest, and Fitz broke ground, shooting his left to the jaw. This was an even round.

Round 5—Fitz led off with a left to the face, splitting Jeff's left eye, which bled freely. Jeff retaliated with a hard left on the ear, and Fitz tried his right for the damaged eye, failing to land. Fitz tried left for head, but Jeff ducked and a clinch followed. Fitz put a light left on Jeff's mouth and forced him to the ropes. The Californian broke, but clinched immediately. Jeff tried a left swing for the body and left an opening which Fitz failed to take advantage of. Jeff, encouraged by this overlook, sent two lefts to the jaw and a right on the forehead without a return. Fitz rushed, but in trying to side-step almost fell through the ropes, but regained himself and came back with a hard left on neck and right on body. Jeff replied with two stiff ones on face. He hit Fitz on face as Fitz crowded in on him. At this moment the bell separated them.

Round 6—Fitz swung his left for head, landing lightly and blocked a right lead for the body. Both tried lefts for the head, but were short. Then Fitz put his left to the face and missed a right cross for jaw. Fitz still on aggressive bored in sending left to face. Jeff countered lightly on wind. Fitz crowded in with right for wind and Jeff crossed right to ear. They broke from a clinch and Fitz sent left to face and a hard right over the injured eye. Fitz sent twice to head and hard left to chest. Jeff fought back wildly, landing both hands outside Fitz's guard, and after another clinch, Fitz uprooted his opponent with his right on the wind. This round was in Fitz's favor.

Round 7—Jeff was slow in coming to the scratch. Fitz tried right to head, landing lightly. Jeff got a left to ribs and got away clean. Fitz sent a left far back on the neck. Jeff tried to crowd Fitz on the ropes, but Fitz got away. Then Fitz hooked a left to the side of the head and Jeff jumped in with a right hand hard on the body and swung his left for the head, but Fitz got inside of it and drove his right over the heart. This was Fitz's round.

Round 8—Jeff was tardy in coming up, and the referee had to waive his hand to him to come to the scratch. Fitz sent his left to the ribs and Jeff hooked two lefts to the face. Fitz put a straight left on Jeff's bad eye. Jeff came back with a hard left on the body. Fitz endeavored to land a vicious swing with his left on the body, but Jeff came back with a similar blow on Fitz's head. Jeff then sent a straight left to Fitz's face, staggering the champion to the ropes. This was Jeffries' round.

Round 9—Both came up smilingly with Fitz the aggressor, but Jeff sent him back with a straight left to the face. Fitz missed a left swing for the head and received a hard right on the body. Fitz, still on the aggressive, was sent back once more with a left on body. Jeff put two smart lefts on the nose, which made Bob's nasal organ bleed again. Jeff played again for the head and with a backhand blow, brought his left in contact with Fitz's nose. Fitz failed to re-

President Names the Men to Select New Route Across Central America.

BRIEF SKETCH OF THE MEN

Admiral Walker Chairman of the Commission Which He Will Call Together Soon—Minister Storer Expected In Madrid This Evening. Will Present Credentials Monday.

Washington, June 10.—President McKinley has appointed the commission authorized by congress to determine a route for a canal across Central America. The commission is composed of the following: Rear Admiral John G. Walker, U. S. N.; Hon. Samuel Pasco of Florida, Alfred Noble, civil engineer, of Illinois; George S. Morrison, civil engineer, of New York; Colonel Peter C. Haines, U. S. A.; Professor William H. Burr of Connecticut, Lieutenant Colonel Oswald H. Ernst, U. S. A.; Louis M. Haupt, civil engineer, of Pennsylvania; Professor Emory R. Johnson of Pennsylvania.

Admiral Walker, who is at the head of the commission, said last night that he will call the members together at the earliest practicable moment. The rainy season is now on in Panama and Nicaragua, but nevertheless it is extremely likely that the committee will proceed forthwith to a personal inspection of the routes and divide up the work so as to make an early report to congress possible. Rear Admiral Walker, Colonel Haines and Mr. Haupt are members of the present Nicaraguan canal commission.

Senator Pascoe of Florida is qualified in many ways for duty on the commission. George S. Morrison has been president of the Society of Civil Engineers.

Alfred Noble was formerly a member of one of the canal commissions and has been engaged in many large engineering undertakings. Colonel Ernst was formerly superintendent of the military academy.

Professor Burr is the head of the department of engineering of Columbia University, New York City, and has had large engineering experiences.

Professor Emory R. Johnson of the University of Pennsylvania was appointed because the president has felt that the economic and commercial side of the investigation into the proposed canal routes is one of its most important features, and in selecting Professor Johnson has acceded to the recommendations and wishes of many prominent commercial organizations.

WINE OF CARDUI

A LITTLE DOES MUCH.

Boons, Iowa, Dec. 14

No tongue can tell what I have endured in the past ten years with my monthly sickness. While suffering untold agony, a friend called and recommended Wine of Cardui. I sent for a bottle, and Oh! what relief. After the first dose I began to feel better and have had no pain since.

MRS. GRACE LAMPHIER.

Wine of Cardui

Wine of Cardui not only cures but it acts AT ONCE. Here is a case of ten years' standing, and yet one single dose made the sufferer feel better, and stopped the pain. The Wine goes straight to the seat of the trouble. It acts directly upon the menstrual and genital organs. Its action is not violent, and it does not force a result. It simply gives Nature that little assistance that the sufferer's system lacks. A single disorder in the female organs spreads many disorders all over the body, and when the Wine cures the source, all the other ills vanish as a matter of course. A woman can be her own physician and cure herself at home. Local examinations are largely things of the past—the obnoxious custom is no longer necessary. Wine of Cardui is the only perfectly safe and sure vegetable Wine made to-day for the cure of "female troubles."

COLONEL THOMPSON

Ninetieth Birthday Celebrated by His Friends With a Banquet.

OUTLINE OF HIS LIFE

Aged Statesman Talks of His Associates Throughout His Long Career. Has Held Many Places of Honor. Trouble Fared Among the Southern Indiana Miners.

Terre Haute, Ind., June 10.—The 90th birthday anniversary of Colonel Richard W. Thompson was celebrated in this city last night by a banquet, given in his honor by the Thompson club. The tables were spread in the banquet room of the Terre Haute House. Colonel Thompson and the distinguished guests occupying a central table, with the other tables placed at right angles. Among the speakers were Congressman C. B. Landis, Congressman George W. Faris and Governor James A. Mount. The banquet was preceded by a parade, which covered several city blocks. A band led the procession, which was followed by carriages bearing the speakers and guests of honor. Colonel Thompson's remarks were brief and were reminiscent of his past life and associations, but his short talk was frequently interrupted by cheers and applause.

Colonel Richard W. Thompson was born in Culpeper county, Va., in 1800, and is of Scotch-Irish descent. He is the founder of the Lawrence County seminary. In 1834 he was admitted to the bar and in the same year was elected to the Indiana state legislature and re-elected in 1835 and 1836. He was elected to congress in 1841, but declined a second term. President Taylor offered him the position of minister to Austria, which he declined, and he was appointed chief of the land office. Lincoln made him judge of claims and President Hayes made him secretary of the navy in his cabinet. In 1880 Colonel Thompson resigned to accept the chairmanship of the Panama canal company and later he was elected to the bench in this county and then appointed internal revenue collector for this district. Among his literary works are the "Recollections of Sixteen Presidents" and "The Footsteps of the Jesuits."

TERRITORY OVERTAXED

Alleged That Gas Supply in the Belt Is Not Giving Out.

Muncie, Ind., June 10.—Gas men in the belt are not pleased with the statement credited to Mr. Blatchley, state geologist, as to the gas supply. While it is admitted the gas pressure is not as high as formerly, it is alleged that it is not caused so much by failure as it is by overtaxing the territory. Gas men say the supply is amply sufficient for home use for an indefinite time, and if the foreign companies could be driven out, the gas question would settle itself. The fact that two great pipeline companies are invading the field in order to convey gas to Ohio and Chicago is sufficient proof of itself that the supply is not giving out. To place the hundreds of miles of gas mains required by these two mammoth concerns requires many hundreds of thousands of dollars in cash, and it is hardly likely that these companies would be investing their money thus if the supply was becoming exhausted.

GAZETTE RESOLD

Passes Into the Hands of the Democracy—Probably Be Discontinued.

Fort Wayne, June 10.—The property of the Gazette Publishing company, the sale of which to Douglas & Randall was not confirmed by the court, was resold at public auction yesterday by the receiver. The paper was knocked down to C. C. Miller for \$10,000. R. C. Bell, attorney for Mr. Miller, admitted that he was bidding for the Democratic central committee, and that the paper would be discontinued. If this is done, Allen county will be without a morning Republican paper, and the Journal will have an exclusive Associated Press franchise. The creditors will receive twice what they expected. Glenn & Butler of the Huntington Times were also bidders.

DOUBLE TRAGEDY

Warsaw Man Murders His Wife and Cuts His Own Throat.

Warsaw, Ind., June 10.—A horrible tragedy was enacted here last evening, caused by the insane jealousy of a husband. Peter Miller shot his wife after quarreling with her, and then she ran from the house caught her and cut her throat. The murderer then rushed into his home and, after closing the doors, cut his own throat. It is well that he did or he would have been handled roughly by his neighbors, so incensed were they at his continual abuse of his wife.

\$130,000 Legacy.

Fort Wayne, June 11.—George Milford of this city has been notified by an attorney of Boston that he has been left a legacy of \$130,000 by the death of a relative in England. Milford has lived here for several years, and he was formerly a member of the Boston Thomas orchestra. He is of English birth. Recently he has been very ill at the Hope hospital.

Incendiaries at Work.

Fowler, Ind., June 10.—Hornbeck's dry goods store and Stephen Barnes' saloon building burned yesterday. The fire was of incendiary origin. The water supply was shut off from the street and the fire alarm bell was out.

Coughed 25 Years.

I suffered for 25 years with a cough and spent hundreds of dollars with doctors and for medicine to no avail until I used Dr. Bell's Pine-Tar-Honey. The remedy makes weak lungs strong. It has saved my life.—J. B. Russell Grantsburg

Every Month

there are thousands of women who nearly suffer death from irregular menses. Sometimes the "period" comes too often—sometimes not often enough—sometimes the flow is too scant, and again it is too profuse. Each symptom shows that Nature needs help, and that there is trouble in the organs concerned. Be careful when in any of the above conditions. Don't take any and every nostrum advertised to cure female troubles.

BRADFIELD'S FEMALE REGULATOR

is the one safe and sure medicine for irregular or painful menstruation. It cures all the ailments that are caused by irregularity, such as leucorrhoea, falling of the womb, nervousness, pains in the head, back, breasts, shoulders, sides, hips and limbs. By regulating the menses so that they occur every twenty-eighth day, all those aches disappear together. Just before your time comes, get a bottle and see how much good it will do you. Druggists sell it at \$1.

Send for our free book, "Perfect Health for Women." **THE BRADFIELD REGULATOR CO. ATLANTA, GA.**

Insurance Department Receipts.

The receipts from the state insurance department for the first six months of the year will exceed the receipts for any six months in the history of the department. The taxes and fees from the first of the year to July 1 will be between \$117,000 and \$120,000. The greatest amount received in any previous six months was \$110,000. Auditor Hart estimates that the receipts for the year from this department will be \$225,000. All this money goes into the treasury under the present fee and salary law. Formerly the state auditor received 10 per cent.

Drink Grain-O.

After you have concluded that you ought not to drink coffee it is not a medicine but doctors order it, because it is healthful, invigorating and appetizing. It is made from pure grains and has that rich seal brown color and taste like the finest grades of coffee and costs about 1/2 as much. Children like it and thrive on it because it is a genuine food drink containing nothing but nourishment. Ask your grocer for Grain-O, the new food drink. 15c and 25c.

Walsh; "Coxey," a hunting story by F. H. Spearman; and several short stories. Who is to Blame?

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys.

If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when should be able to control the passage, and it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, a of the first step should be towards treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

If the adult has rheumatism; pain or dull ache in the back; if the water passes in irregular quantities; or at irregular intervals or has a bad odor; if it stains the linen or vessel the color of rust; if the feet swell; if there are puffy or dark circles under the eyes; your kidneys are the cause and need doctoring. Treatment of some diseases may be delayed without danger, not so with kidney disease.

Dr. Kilmer's Swamp Root, the great kidney, liver and bladder remedy promptly cures the most distressing cases. Its mild and extraordinary effect is soon realized. Sold by druggists in fifty-cent and dollar sizes. You may have a sample bottle and pamphlet telling all about it sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention that you read this generous offer in the Seymour REPUBLICAN.

Mr. P. Ketcham, of Pike City, Cal. says: "During my brother's late sickness from sciatic rheumatism, Chamberlain's Pain Balm was the only remedy that gave him any relief." Many others have testified to the prompt relief from pain which this ointment affords. For sale by C. W. Milhous.

Spanish-American War Panorama.

Is one of the war books which is likely to be in continuous demand. It is a panoramic record of the triumph of Yankee Doodle. The eagle flaps his wings on every page, and "Old Glory" waves around and above every scene. Prominent officers connected with the war are here portrayed, as well as many of the "men behind the guns." Military life is pictured to the eye from recruiting to guard mount and skirmish line. Nor is the ludicrous omitted. The company cook receives the attention due to his importance the mess is shown; cavalry scenes are given; the hospital arrangements are depicted; the heroines of the Red Cross service are displayed; street scenes in Havana, Santiago and elsewhere are unrolled, the new citizens or subjects (which are they?) of Uncle Sam, appear and disappear as the eaves are turned.

In a word, the gazette visits the new localities and sees the tumultuous new life, without the risk or expense of a sea voyage.

The Album is 5x8 inches, weighs 12 ounces, printed on finest coated paper.

Grain-O Brings Relief.

To the coffee drinker. Coffee drinking is a habit that is universally indulged in and almost as universally injurious. Have you tried Grain-O? It is almost like coffee but the effects are just the opposite. Coffee upsets the stomach, ruins the digestion, effects the heart and disturbs the whole nervous system. Grain-O tones up the stomach, aids digestion and strengthens the nerves. There is nothing but nourishment in Grain-O. It can't be other.
